

Sinclair Broadcasting's decision to FORCE their stations to air an anti-Kerry documentary days before the election sickens me. It indicates that we are no longer a free country; no longer a democracy; but a people who have been sold to the highest bidder. We can no longer trust the election process. Our leaders lie blatantly with straight faces. We are subject to censorship in our television programming. We wage war on innocent people who have never attacked us.

We are no longer the land of the free. We are the land of the GREEDY, signed, sealed and delivered, thanks to people like you and a series of actions like this one.

Death is laughing at you. When it comes to wealth, you can't take it with you and you will be dead a long, long, long time. God is just and you will get exactly what your greedy actions deserve.
